# Social Enterprise Challenge!

**If you're thinking of starting a social enterprise or community business, and want to make a difference to your local community then this is for you!**

Stepclever are running two free training programmes, consisting of 6 half-day training sessions over a 3 week period, to take you step by step through the do's and don'ts of starting up a Social Enterprise.

Developed and delivered by Pulse Regeneration with expert advisors and guest speakers, each session will cover the most important aspects of setting up your business and followed by one to one support from a dedicated mentor.

At the end of the programme there will be a Challenge Day where you can pitch your ideas to a panel of experts, with the chance to win either £2000 and free consultancy support or one of 3 £1000 prizes to go towards the cost of starting or developing your business.

The first Social Enterprise Challenge Training Programme will commence on Monday 25th January 2010 at 9.30am - 1.30pm, at Vauxhall Community Training & Enterprise Centre.
